Authorization for this examiner's amendment was given in a telephone interview with Hans-Peter Hoffman on 02/16/2006.

The application has been amended as follows:

Claim 3 is cancelled.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: Prior art fails to show a contour definition device for measuring and monitoring a contour or silhouette of key features of an object associated with a operational condition of a motor vehicle and assessing change of eyes or pupils, pupil reflex, face/head and upper torso.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
